www.linkedin.com/in/santiagocanopl

I am Santiago, a young man passionate about traveling and discovering new realities, always with my honesty and my joy as a flag. I am curious and love challenges. Identified by my teamwork, interpersonal communication and leadership skills.

I have decided to reorient my career to the technology sector because of my interest in growing as a Web Developer.

ACADEMIC EDUCATION

2008-2011 **INDUSTRIAL ENGINEERING**, Universidad de Buenos Aires (UBA) (Not completed).

2014-2016 **GASTRONOMIC PROFESSIONAL**, Instituto Argentino de Gastronomía.

COMPLEMENTARY EDUCATION

2020 **PROFESSIONAL FULL-STACK DEVELOPER (150HS).** Universidad Tecnológica Nacional (UTN).

Online course. Creation of web applications using React JS and Angular. Database integration with Node JS.

2019 **FULL-STACK DEVELOPER WITH REACT JS (215hs).** Fundación Esplai, Barcelona.

Web programming, front-end with React JS, Back-End with NodeJS, Express and MySQL. Soft Skills: teamwork, leadership and communication.
